Air Gas Compressor and Parts

8000 HR MAINTENANCE KIT

2906032700

The kit includes replacement filter elements, demister components, and seals that ensure the dryer continues to achieve correct pressure dew point and high drying performance. Regular replacement of consumables reduces risk of pressure drop, overheating, and internal component damage.

Function of the 2906032700 Kit

By replacing worn-out filters/seals, it prevents moisture, oil vapour, and contaminants from entering the compressed-air line, protecting compressor valves, air receivers, pneumatic tools, and instrumentation.

Reduces Pressure Drop & Improves Energy Efficiency

Old filters cause restriction; the new kit elements ensure:

TECHNICAL SPECIFICATION

Parameter	Typical Value / Range
Component Type:	8000 Hr Maintenance Kit(2906032700)
Components in the kit:	Humidity indicator, Seal rings, seal washers, crush washers, Demister O-ring, Strainer, mounting bushings, pins.
Primary function:	Restore the dryer's moisture-removal efficiency The kit includes replacement filter elements, demister components, and seals that ensure the dryer continues to achieve correct pressure dew point and high drying performance.
Function:	By replacing worn-out filters/seals, it prevents moisture, oil vapour, and contaminants from entering the compressed-air line, protecting compressor valves, air receivers, pneumatic tools, and instrumentation.
Manufacturer Quality:	Regular replacement of consumables reduces risk of pressure drop, overheating, and internal component damage.
Prevention:	Prevent Any leak in the system.

Technical support 24/7

We offer 24/7 technical support to ensure quick assistance whenever needed. Our team is always ready to help with product setup, troubleshooting, and urgent service requests.

Consultation

Need help choosing the right product? We provide expert consultations to guide you through selection, technical compatibility, and project-specific requirements.
Warranty

Product Warranty

All parts come with a minimum warranty against all manufacturing defect. We guarantee the quality and reliability of every product supplied.
